EIGHTH MOON

2025

FIRST DAY	SECOND DAY	THIRD DAY	FOURTH DAY	FIFTH DAY	PREPARATION	SABBATH
Sunset times based on local time in Plano, Texas USA	NOTE: We begin the Scriptural month based largely on reports of naked eye sightings of the crescent moon from two or more witnesses in the land of Israel. After checking multiple website reports, we were only made aware of <u>one</u> sighting on October 23 rd (which was the 29 th day of the previous month), thus making it a 30-day month. Based on the low crescent seen here in Texas, we knew an Israel sighting would have been difficult. We waited for additional reports until 10/28/25 before creating this calendar.					1 Sunset: 6:41 pm October 25
